“ I always enjoyed visiting with Mary Nell or “Auntie” as Paula and Pam called her. Within the past 5 years, I called Paula’s house one day and Mary Nell answered. I recognized her voice and said, “This is Shirley.” She was so excited to talk to me and I’ll bet we talked for 20 minutes when she hadn’t seen me in years! She was a delight and I know how special those “aunties” are.

“ We remember Mary Nelle with the fondest of memories. She was a lovely Christian lady who was faithful to her Lord. If I remember correctly, she was the last surviving charter member of South Main Church of Christ. It's amazing to realize that, at her age, she was on Facebook, and I count her as one of my friends.

“ *Oh the many fabulous memories I have of Mimi. Truly some of my favorite childhood memories are of the sweetest times at her house. April and I felt like queens at Mims house!! I'll never forget her laughing at us as we played dress up and pretended that the entire back of the house was ALL ours. She was definitely one special lady ❤️*

Amee, I am sorry I did not get to see and visit with you. I had been thinking of Mary Nell for several months. I kept thinking I would try to call her but just kept putting it off. We lived neighbors with your family and then Mary Nell alone for several years. Those were good times. I know you were so good and thoughtful of her. Mary Nell was a sweet lady, and we thought alot of her. May God give you comfort. Fay &Farrell Dorsey
