

## Mrs. Mary Floyd

March 23, 1927 - April 22, 2020

Mary Floyd passed away April 22, 2020 at 7:55 a.m. She was at home surrounded by her family. Mary was a member of the Church Hill United Methodist Church. During her life she was a stay-at-home Mom, which all of her daughters enjoyed.

Her first marriage was to Clyde Sanders, who blessed her with 5 fabulous daughters. Unfortunately, he passed away in 1966. These five daughters, Olive, Kaye, Rose, Jo, and Belva blessed her with 7 wonderful grandchildren, whom she loved greatly.

She later married Leonard Floyd (the love of her life), who also preceded her in death in 2015, but was the greatest Grandfather any family could ever ask for. She was also preceded by her daughter Kaye in 2015. Mary had 7 wonderful grandchildren and 12 great-grandchildren. She truly enjoyed having all the grandchildren visit and stay with her.

She will be cremated and when this Pandemic passes, we will have a gathering for a celebration of her life.

Memorial contributions may be made in her name to the Church Hill United Methodist Church, in care of Nancy Strong, 8537 FM 1251 East, Henderson, TX 75652.

The family would like to say a special thank you to Nicholas Leiker for all the extra help with Mrs. Floyd in the past few months. She will be missed by all who knew her. She is with God now.

Condolences may be made at [www.crawfordacrim.com](http://www.crawfordacrim.com).

“ *My little mama--how I miss you! My childhood memories are wonderful: how Christmas and birthdays were always special, even though money was tight; how you sacrificed to pay for my piano lessons; how you were always there for us, even throughout adulthood. I could go on and on. You were the perfect grandma and great-grandma, I pray that I will be as good in that role as you. I want to say a special thank you to my sisters, Olive and Jo, and Olive's husband Nick for their care giving of little mama her last month of life. Their care for her allowed her to spend her last days at home. Belva and I were quarantined due to the virus, and could not be there, so a big thank you to them.*

“ *So many memories of Grandma. She was hoot, and up for anything! She LOVED frogs and the color green. One of my fondest memories of her was when I was a kid and didn't want to play with my cousin Chrissy, Grandma would say don't you see how lucky you are to have someone close to your age to play with, it's like a ready-made friend. At the time, I didn't understand but as we became adults, she was so right. I love you Grandma, rest in peace. You will be so missed.*

“ I knew Mary for many things... as everyone knows she had many a Green thing, namely frogs. But I clearly remember a heart felt discussion we had over what I considered an ugly yellow lemon. If I recall correctly she paid \$25.00 for this yellow lemon I would not have given \$1.00 for. Thanks for the memories! Because you Mary make me Happy! 🍋

“Honey, life is too short to worry and fuss”  
That was one of the many phrases my “granny” would tell me during our talks. Soo many priceless memories with this beautiful person! We would spend countless hours together in her swing out in the yard singing “row row row your boat” . Of course we would stagger the verses and see who could go the longest without getting tongue tied. She would usually run out of air before that though lol. Then there was time she “broke my leg” when I was throwing a tantrum as a kid. Of course she just swatted me with her hand and I tried to play on her heart. I believe a bowl of ice cream was the outcome of that. The color green will mean so much more to me and any frog figurine I come across will spark a grin due her wonderful memories. Life was always so much more bright and joyful with her. She was the strength for her girls and the mortar that built a family that can't be broken apart. God truly blessed us with this one and now she is where she was created to be.  
I love you Granny!

“ I have many memories of grandma, but the best one would be of us sitting in the porch swing in the yard singing. I also remember camping, making mud pies, going to the lake, and playing "adult games" (dominoes, cards, etc.) in her lap.
