“ It was my privilege to be Mary and Joe's pastor at St. Paul's United Methodist, Henderson, for 4 years, 1954 - 58. They helped me start the church and were among its most faithful members. I will always appreciate both of them.

I pray that the indwelling presence of God through the Holy Spirit will comfort and sustain all family and friends who knew and loved Mary and Joe and guide you until that time when we can see and know and love again those whom we have lost for a while.

Blessings!

“ *She was my first grade teacher at Montgomery school. I remember we had chicken eggs and when they hatch she took them home with her and she lived near the school and we got to walk to her and see them. She was the best teacher*

“ *Joe and Kay, Mother and I, Norma Stanley, are so very sorry to hear of the passing of your sweet Mother. She was truly a very special and loved lady. She and Mother remained dear friends after all of the wonderful years at St. Paul's Methodist Church. She loved your Mother so much, and she spoke of her often. She loved getting the sweet cards and letters from her after she moved to Ft. Worth. You are all in our hearts and prayers at this sad time. We all have some very special memories from St. Paul's.*

“ Joe and Kay - Mary was my first grade teacher at Montgomery and I loved her because she taught me to read! I can still remember sitting in the reading circle learning how to sound out the words in our Janet and Mark books. I later had the privilege of attending St. Paul's with her for many years and my love and respect for her never waned. I am so sorry for your loss, but I know Mrs. Mary is elated to be reunited with her beloved Joe.
