

## Mrs. Mary Milliken

July 9, 1933 - June 14, 2015

Graveside services for Mrs. Mary C. Milliken, 81, of Henderson, formerly of Ohio will be held at 4 pm on Wednesday, June 17, 2015 at Bridges Cemetery. Interment will follow under the direction of Crawford-A. Crim Funeral Home.

The family will receive friends before the service from 2:30-3:30 pm on Wednesday, June 17 at the funeral home.

Mrs. Milliken passed from this life on June 14, 2015 at Autumn Leaves Nursing and Rehab in Henderson. She was born on July 9, 1933 in Steubenville, OH to the late John and Stella (Kulich) Costello and has lived in Henderson for the last 19 years. Mary was a loving wife to Bob for almost 53 years. She was also the loving, devoted, and caring mother to Marquita. Mary was very loving, honest, dependable, trustworthy and kind. She genuinely cared for others. If you were Mary's friend you had a friend for life, and she would do absolutely anything for you. She had a very soft heart for anybody or animal that was down and out and tried to help them in any way if possible. She always saw the good in people.

Mary loved sweets, and she loved to Polka dance when she was young and was very good at it.

To most people, cleaning house is a chore, but not to Mary. She loved to clean house and that love carried over into housekeeping at various jobs, just

another way that she took care of her friends and even those she did not know.

Mary also loved her trips with Bob and Marquita. She especially loved her Christmas trip to San Antonio with Marquita where for the first time in her life she got to stay in a Bed & Breakfast and take a carriage ride. She also got to pet the horse which was something else she had never done. The horse's name just happened to also be Mary. That made her brave enough to want to go on a horseback ride, so three years ago, at the age of 79 and not feeling very well, she and Marquita rode horses in Arkansas and she loved it.

*Thank you so much for sending me this to me. I remember how beautiful she was and remained even when she became stricken with her illness. We were together on a trip to Tennessee when we were on the ski lift. I have photos of my mother and me on it too. Your mom said she was afraid so she kept her eyes shut for most of the ride up the mountain. I know she and mom are getting together again. I hope they stay out of trouble. 😊*
