“ Mary Ellen, I enjoyed our visit and you know how much I loved your mom. She was such a special person and as someone said before me, her eyes lit up when she talked about you or Buster. Thank you for being such a wonderful example as a daughter. I think you have some added blessings coming your way because of that love and care. If there is anything I can do to help you, please let me know. Love you. Mary Rice

“ *Dear Mary Ellen, Last night as I drove by Mrs. Clifford's, my heart sank & I became overwhelmed with emotions & tears. I started to think about you & if you were okay coming back there since her passing & thought how sad you would be to be there alone & wondering what Buster was thinking. Regardless of some memory loss, one thing was for certain, Mrs. Clifford loved you very much & was so proud of you & she loved her Buster Boo. She just lit up everytime she looked @ either one of yall. I know this will be hard for you to bear. Praying the lord comforts you thru this sad time. I loved Mrs. Clifford. She was tough as nails & could work circles around most of us, especially when it came to working in the yard. I will miss her smiling @ me & I loved to hear her chuckle either @ me or with me or even sometimes @ herself. Thank you, for letting her be a part of my life, she inspired me with her humor and keep on keeping on attitude. Mary Ellen, you should be proud of what a good daughter you are, Always making sure that Mrs. Clifford was taken care of & making it so she could stay in her own home & let her enjoy life. I will keep up in my prayers. With Deepest Sympathy, April Oswald, LVN*
