“ To the Pool Family, I was so sorry to hear of Mrs. Pools' death. She was a special teacher to me at Mt. Enterprise School. She made me feel special, like her daughter. She always had a smile and was a happy person, someone who made you feel good about yourself. She will be missed greatly by many people whose lives she touched. A wonderful lady.

“ To the Pool Family: I was so sorry to learn of your loss. I knew Mrs. Pool as a teacher at Mt. Enterprise and later at Azalea House when she and my Mom, Ita Akin, lived there. We often would visit with her when we went to see Momma. She was a jewel of a lady and will be missed. May your many happy memories and God's wonderful love comfort you in the days to come.

“ Grandmother...you were amazing. I always loved going to your house and eating ice cream. It was hard when we were home in 2008 and I had to say goodbye to you not knowing if we would meet again. You made me smile. I wish I could be there with you, Daddy and Pat, and with the rest of the family. It is hard to be so far away at this time. Love and Prayers! Denise and Family

“ What a wonderful woman; What impressions she left on our live's as children growing up in Mt. Enterprise. She was my 4th grade and favorite teacher. She always made herself available to help us kids (Rosa Lee, Mary Beth , an our brother Benny Birdwell.). She left a spendid mark upon this world. She left her mark upon our hearts and, we will carry that on.

“ Our thoughts and prayers are with you at this time. I always enjoyed visiting with your mom at the flower shop and Azalea House and Henderson Health & Rehab. She always enjoyed our church ministering at these two places and loved talking about the old days. She always remembered who I was and asked about my family. She was a long time friend and a very sweet lady. God bless you all, Doyle and Linda Benson

“ I will always have my memories of Grandma, and the memories of her last faltering years will fade. She was always in good spirits even if she was upset about something. I have fond memories of her tea glass clinking as she swirled the ice cubes around in her drink at the dinner table. Never did I visit the old house and not find a sour cream pound cake and a cold bottle of Coka-Cola - I took my share of both. Grandma, you made sure "my cup runnith over."
