“ She was my English teacher for a couple years, and she was tough, caring and I loved her for it!! To this day, when coming up against "improper English" she flashes through my mind. She was a special lady!! I'm so sorry and send prayers and condolences for your family.

“ Dear Mark & Family: My wife Marsha and I are very sorry about your mother's passing. She was a great English Teacher and she taught me very, very well. My success as a lawyer depends on my ability to write and I learned how to write from her. I will always remember Mrs. Reagan and continue to thank God for her! Thanks for sharing her with me. Please call on me if I can help you all in any way. With my warmest personal regards, my most sincere sympathy and my deepest appreciation for your friendship

“ *The best English teacher in the world. Dedicated, devoted and dependable. She taught me English in Troup way back in the 50's and we all loved her. I shall never forget her "personal" word STICKABILITY. That meant stay on track and finish the work.....The world has lost and wonderful lady.*
