“ *Its very difficult to put into meaningful words what an impact Mary had on my life. I'm sorry that I can't be there today but my thoughts are with you all. When Mary was here, she loved the clouds in this area. I know she is now dancing in the clouds and I will remember her and her unique way of seeing things each time I look up and see them. Bill*

“ So sad about Mary's passing. So many fun memories. The Bible says to be absent from the body is to be present with the Lord. So she is now happy and has no more pain. My sincer sympathy to her family.

“ Still today I would like to say Dear Mary and talking to her as I did for the last twenty years. Since the beginning of her terrible illness I have been missing her and will continue to do so. Unfortunately, I cannot be with you on the 29th. Andrea and Danna, your mother was a wonderful person. Much love to both of you.

“ This autumn I said to Mary, "I can't imagine my life without you we have been friends so long." She said, "Yes, that's right." We met in 1950 when my family moved to Henderson from Longview and she was only ten hears old. May Mary live forever in the Father's heavenly mansions and bring her many gifts into the Father's Infinite Way. The family gave me permission to bring photos to the service and there will be room for yours, if you like.
