“ Prayers and thoughts to you all, Ms Virginia a great lady and I was blessed that I got to be her friend, always put a smile on my face when I saw her and always had kind words to say to me. I will also miss that cute little smile she had. She was blessed to have such a great family to look after her God bless to all

“ Words can never express the sadness I have in my heart because I will never see you again. I truly enjoyed every conversation I ever had with you Nan and I will miss your quick wit and mischievous grin. I have never met anyone quite like you and doubt I ever will again. As I have watched you for so many years, one thing comes to me repeatedly; Your grandchildren (great and great great too) were so blessed to have you in their lives and all of us will remind them for as long as we live, just how much unconditional love you gave them. Rest in peace great lady, God has truly brought home one of his greatest Angels. I Love You and miss you Nannie!
