“Melanie was one of the very first people I met when I moved to Henderson. She stepped in as a mother figure to my husband when his mother passed. Her love for children was like nothing I had ever seen before. She was an inspiration to all that knew her. She put everyone in her life above herself. She was the greatest mother and friend. You are deeply missed Melanie. I am so grateful for our hug just a few weeks ago. I know Melanie would want all to know to never take a moment of this precious life for granted. Melanie I know you are hugging Sam and Jesus right this moment. I am so happy for you for that my friend but you will be forever missed until we meet again. Thank you for showing me how to love unconditionally.
