Carl as I read the comments, I have been made to know that everyone shares the one thing about Melinda that we all knew about her was her smile and the positive personality that she shared with everyone. Our hearts are sadden for her death on this earth and that we will not see her again in this life. We do have the assurance of seeing her on the other side with our Father. Prayers are for you and her family as the next few days will be hard. Lean on God and remember the good times. Our love Kenneth and Becky Miley

“ I will always remember the time we spent together when Kevin and I were dating, all those nights sitting on the back porch or on the porch swing. You were one of my bridesmaids and helped with my baby shower. I looked up to you so much. You were a bright shining star to anyone that you came in contact with. I will truly miss your smiling face. My prayers continue to your Carl and family they never leave my thoughts.
