“ I am so sorry to hear about Mike. I live in Dallas now and only just heard the news; otherwise I would have been there with you all when you said goodbye to mike. May God bless all of you and keep you in His arms. You will always be a part of my memories as we grew up in church together.

“ Now that we have laid your body to rest, our hearts can now heal as well. I thought about you Saturday morning and the travels you shared with us. You now have a new land with so many wonders to see. God gave you the soul of a traveling man and now your streets are paved with gold. You will always be in our thoughts and our memories will last a lifetime. May we learn from you that walking in faith is a must to see new things.
