“ *I miss my daddy!!!! I can't believe it's been a year now since he's been gone. I wish I could go back in time and hear one of his jokes and see his big smile. He will forever be on my mind.*

“ *Mike & I are the same age I met him through my cousin 41 years ago. We took our Grandmothers Cadillac drove to Carthage went over" Thrill Hill ", he had no idea what a ride that hill would be. He flew over the seat and came up laughing !! And you know I was talking with him just a few months ago and we were laughing about it and he said I will remember that the rest of my life. So glad we got one more chance to laugh.....*
