“ Coach Nix, when I came to Mt. Enterprise in 1993, I didn't much like apples. I can't remember you not eating an apple everyday. After hearing you say, "An apple a day will keep the doctor away" I started eating apples. You taught me the "Buna" offense. Better than that you showed me how to be a man by your lifestyle. Mrs. Johnnie, Tim and Trent you were blessed to have such a wonderful husband and father! Thank you Mcheal! My family is praying for your family! May your soul rest in peace. Galatians 6:9

“ Coach Nix made a major impact in my life. Through played sports for Mt. Enterprise ISD with him coaching, he taught me to never give up. If you fall down, get back up running even stronger and playing even harder. That has been a lesson that has helped me and encouraged me many times. Thank you, Coach Nix, for your time and dedication in my life. You made a difference!

In times like these words seem so inadequate, but I want to say that we are so glad to have known Michael. Our lives. have been blessed because of him. Candles burn for a short time, but Michael's light will burn for a long time in all the lives that he has touch. Much love to all the family, Marilyn and Tom Vaught...

PS....and especially to Tim and Trent...my former 2nd graders. Loved having you in my class. May God continued to bless you and uphold you and your mom. MPV

“ As I write this I have so many of good many of Coach Nix throughout my life while living in Mount Enterprise but the one I will chose to share is the one when we were playing basketball against Tenaha and it was a tough game and he took us into that locker room and put a BIG L on the door and called a LOSER's because we were not playing very well and he gave us a very good pep talk and of course we came back after halftime and won the game. Such a sweet man and a sweet spirit. He will be missed.
