“ Mike you gave Paul "Pauline " 42 great years of true and honest friendship and My daughters, Daniel and myself about 25 years. You have made made us laugh and in the end you had us cry only because we could no longer have you physically around. However you will always remain in our hearts. You were such a great friend to everyone. You will be missed more than words can say. Fly high and free. We love you and will miss you dearly.

Love,
Paul and Dee Attaway

“ Uncle Mike- You were such a huge part of each of our lives and from the time I was born until now, I can't ever remember a time when you weren't around. You have given us so many precious memories to hold on to. All of your "one time" stories, whether true or made up, always cracked me up! Though you will be missed tremendously, we are glad that you can rest in peace and are free from pain now. I know Granny and everyone of our family members that have gone before you are there in Heaven, welcoming you, and God has you in his kingdom. For our birthday cake this year, I'm still going to ask for chocolate cake from the box...in true fashion like we always did! I miss you and love you! ~ Stacy

“ Big- You will be missed dearly. My prayers are with your family but I am grateful for the time we had together and your suffering has ended. Our paths will cross again and I will look for you to show me where the good snapper holes are and where no Game wardens will bother us. Please give my dad a hug for me.

God Bless
