My heart goes out to the family at this time. My husband and I had the privilege of meeting Mr. & Mrs. Moore's a few years back and they were so sweet to share their knowledge of their home building experience and give us a tour of their home. What an amazing couple. My prayers are for Mrs. Moore's and all the family to be comforted by the wonderful memories you have with him.

“ I remember Mike at Henderson Feed & Fertilizer located at the oil mill behind the school bus barn in the mid 1960's where we bought our horse feed. He was always nice to me, a young kid then. He was my Mother's neighbor when she lived on the corner of Shawnee Trail and Stadium st.
