

## Mr. Michael Terry "Mike" Wilhite

August 19, 1942 - November 15, 2015

A celebration service honoring Mike Wilhite, age 73 of Henderson, Texas will be held at First Baptist Church at 2 p.m., Thursday, November 19, 2015 with Dr. David Higgs officiating. Mike was born August 19, 1942 in Houston, Texas to LeRoy and Celia Rush Wilhite. Mike was preceded in death by his parents.

Mike graduated from Stephen F. Austin High School in 1960, and after a one year stint playing football at Blinn Junior College in Brenham, Texas, headed to Nacogdoches, Texas to attend Stephen F. Austin State University on a football scholarship. While at SFA, Mike met the love of his life, Mary Jane Bryce of Henderson, and they were married on January 24, 1964. Both graduated from SFA in 1965 and earned their Masters Degree in Education in 1968.

Upon graduation, Mike and Jane headed to Henderson, where he began his career teaching biology and coaching football at Henderson High School. In 1970, Mike went to work at Henderson Clay Products, Inc. where he started learning the brick manufacturing business. With the onset of the energy crisis in 1970, Henderson Clay was forced to start searching for sources of natural gas to cook the brick, and Mike was charged with learning the oil and gas business to insure the survival of the company. Through hard work and determination he became Vice President of the Oil & Gas division of the company, and in 1985 he played an instrumental role in the negotiation and

sale of the company's extensive oil and gas assets to ARCO. Fueled with his vision and ambition, he formed Mustang Drilling, Inc. with long time friend, Bob Slover. His ambition, determination and at times sheer will created the Mustang legacy that continues today.

When Mike was in his 40's, he learned to team rope. For a man who had never been on a horse, he spent the next 25 years going to team ropings and hosting "practice sessions" in his outdoor arena. When he started having knee problems, he took up golf and pursued learning the game with a relentless and fierce drive. There are men on the PGA tour who have not hit as many balls or took as many lessons as him. In recent years, Mike took up woodworking, a hobby which he loved since childhood. He loved working with machines and working with wood. Mike was always searching for new and interesting wood, especially those with some known history. Mike also had a love for old cars. He and close friend, Henry Truelock, through much trial and error, fully restored numerous cars from the 1950's.

Since the time Mike graduated from SFA, he always held a special love for the school. He served many years on the SFA Alumni Board, and from 1999-2005, he served the school on the Board of Regents. While he believed in the school and education, there was nothing more special to him than the Lumberjack football team. The head coach had no more ardent supporter than Mike - even in the midst of a down season.

Of all that Mike accomplished in his life he found his greatest joy and sense of pride in his family. First with the love of his life, Jane then later through raising Lee Ann and Michael. Mike found renewed sense of task with the introduction of grandchildren into his life. Always seeking any excuse to find a way to see them and to spend time with them. To Mike they were his second chance to make up for the times missed in raising his own children due to long hours in the oilfield. They traveled together and made countless trips to the farm. He

was always ready at a moments notice to take advantage of a “teaching” moment. With the loss of Mike, there will be a huge hole left in the lives of his family and friends, but we will be left with a heritage that will continue always.

Committed husband, loving father, dedicated family man, Mike is survived by his wife of 51 years, Mary Jane Bryce Wilhite, daughter Lee Ann Mills and her husband Andrew Douglas Mills of Henderson, son Michael Terry Wilhite, Jr. and his wife Dr. Laurie Edmiston Wilhite of Dallas; three grandchildren Harrison Andrew Mills, John Michael Mills, Mary Ann-Frances Mills of Henderson; sister, Darnell Price of Houston, brother John Wilhite and wife Debbie of Desoto, and brother Ken Wilhite of Marshall.

Honorary pallbearers will be Pedro Ramirez, Bob Slover, Henry Truelock, Gaylord Hughey, Jimmy Murphy, Doug Mills, Roy Pace, Scott Crawford, John Jones, and Jimmy McMillin.

Memorial contributions may be made to any of the following: UT Health Science Center - Research of Pulmonary Disease, UT Health Northeast, 11937 US Hwy 271, Tyler, Texas 75708 First Baptist Church of Henderson - 207 W. “ *Mike and I spent 3 memorable years together as teammates and close friends at S.F. Austin High School in Houston. We were very close and even though we did not see each other a lot in later years, we each knew we were there for each other. He was a friend for life; a salt of the earth kind of guy. He was a groomsman in our wedding almost a month to the day before he and Jane were married. We stayed in touch through the years and enjoyed long talks about what was important in life...family, friends and faith. Our last conversation was in May and we talked about a golf trip to Mexico...it would have been a lot of fun for both of us and a big regret for me is not being able to go with him.*

*My sympathy to Jane and the rest of the family. Mike was a great guy, humble and a true friend to all who knew him.*

*Mike and I began at SFA hs in houston in 1956. We played together on the field and against each other when jones opened. We worked together in the summers after college. When we got married and started our jobs and families, time just sort of slipped away except for quick visits and phone calls. We reconnected a few years ago with visits and talked about how good our lives have been and how blessed we truly are. I was the one blessed, Mike, to have a friend like you is worth more than all the gold in the world. Rest easy Mike I love you always and you and our memories growing up together will always be in my heart.*

*Mr. Wilhite will be truly missed by all that loved him. My father (Johnnie Ray Clay aka Jake) worked at Henderson Clay for many years and he had the great pleasure of working with Mr. Wilhite. To Mike Jr., my classmate, I will continue to pray for you as well as your family.*

“ Mr. Wilhite was one of a kind. He was a treasure not only for his family and friends, but to this community and to the lost people of this area. He was always one to express to me how much he loved his family – Jane, LeeAnn, Andy, Michael, Laurie, Harrison, John Michael, Ann, Darnell, Johnny, Kenny and so many more.

He was a Proverbs man. Proverbs 3:5-6 says, “Trust in the LORD with all your heart, and do not lean on your own understanding. In all your ways acknowledge him, and he will make straight your paths.” I personally can put that verse into use right now. I can’t understand why this great man was taken from us so soon – so I have to depend and trust in Jesus for meaning and understanding.

I will miss our daily conversations even if it was just a quick phone call. I will miss you saying, “Hey girl, what’s going on? Do you need me for anything in the office?” – And I’ll miss telling you, “It’s so beautiful outside, go play a round of golf – these invoices can wait a day!”

He will forever be in my thoughts and heart and his family will remain close to me forevermore. I love you Mr. Wilhite and I’m so thankful that God put you closer to me these last few years – it was such a joy and gift to have your prayers, your insight and to have you mentor me as you have these last few years.

“ I will miss you Mike. As my older cousin that I only saw when we came to visit our Houston family, I was in awe of the tall football star that I rarely saw. In more recent years the infrequent visits and few phone calls I still admired you for your sweet and loving ways.

*“ I will always remember Mike as a great man and teacher/coach. I still carry his words spoken to me as young man while running track. He made me believe I could accomplish anything for which I believed and found him to be right. My sincere condolences to the family. He will be greatly missed*

*Mike Wilhite was my football coach when I was a sophomore on the "B" team and was my biology teacher. He was always good to me and treated me fairly. I was impressed he trusted me to drive his cars when I was a mere sophomore to wash and wax them.*
