“ I recently discovered the passing of Mickie and earlier her father Jack and her brother Larry. I knew her family as a child in Arlington. Our families both had the same last names, " Krueger", even though we weren't related. Both families met when our parents were members of the Moose Lodge. Our parents would get together often playing cards, fishing, and parties. This gave us kids the oppertunity to play together. I remember their beautiful home, and playing with Mickie and Larry. Rani must have been born at bit later on, as my father Jerry Krueger passed away in1962, and my Mother Frances and I moved to Arizona the next year, and don't remember her much, sorry. My condolenses to the family, I know you will miss her always, but feel fortunate to have had her in your lives for many years. Carla(Krueger) M. Lugo

“ *Mickie and I were like sisters in our early years. I always admired and looked up to her. I was the country mouse and she was the city mouse. We learned a lot from each other. I have so many wonderful memories. I miss her. Eileen*

“ *She was a mom to everyone. Selfless - willing to help and do whatever she could - and she could do just about anything. My childhood is full of memories with this precious lady and I'm thankful I knew her and she was a part of my life. She will be missed, but Heaven has gained one of the very best.*
