“ I was one of the girls who lived at sandy brook residential treatment centers and Mr. Mike and Mr Skeeter opening that home is the only reason I have good memories from my childhood. They provided me with a safe place to call home for almost four years of my childhood and I will forever be grateful for them. I sure hope he knows how much of a difference he made in our lives! Mr. Mike will always have a special place in my heart. I just wish I would have been able to tell him in person.
