“*Mrs. Black was our neighbor when we lived in Big Oak and we enjoyed our visits with her. She was a sweet, sweet lady who always had a smile for us and a good word. I know she loved her family and was glad to be living near Paul and his family. Our condolences to all of you on her loss. She will be missed!*”

“*Miss Mildred was a wonderful lady who brightened my life as a nurse. She always had such a wonderful smile. You could tell she was a very loving person even though she didn't speak that much while I knew her. It was a priveledge to know her & to be a part of the team that cared for her. I know your smile is brightening heaven.*”

“*Auntie Mimi was dear. She was a wonderful person and had a wonderful family. My dad loved his sister. She was classy and strong. She always wanted to be in touch with me despite the distance. The first relative with a southern accent! She gave my son a stick horse gift at the time of Brooke and Jeremy's wedding. This gesture meant a lot to me because it connected a generation of relatives that I had lost. Enjoy Octoberfest in heaven with your family!*”

“ We are so sorry to hear of Mildred's passing. She was a dear friend of my Mom's (Lillian Zimmerman Comolli). We shared many letters over the years about our families. Her letters remain a treasured possession.
