“ Jean and Bruce, I was so sorry to hear about your loss. Tate was a great guy. I shall never forget the care he gave to others, his work at the church and his Christian model for me as a young adult. When he came to my home that was struck by lightning at 1:00 am to check the attic for a possible fire, that told the whole story of this outstanding man. God Bless you and keep the pictures, the talk, and the memories flowing.

“ M.W. Tate family, I am so sorry to learn about Mr. Tate. I have known him since I worked at Henderson Insurance in the late 70s - and he rewired a house for me. Tate was such a nice person and I really enjoyed calling him my friend. I know he will be missed. I will pray for God to comfort your family.

“ Jean and Bruce, Jean and Bruce, As you know Milton was such a great friend to Chad and I. He was someone we could talk to and it seemed to solve all of our problems or just make our day. He loved to talk about music and singing of which he and Chad had in common. I will always appreciate the impressions your love left on Chad, and you Both being a great Role Model for him in life. He will be missed greatly. Donna Boatwright Saffell (Chad's Mom)

“ All I ever knew him by was "Tate" while we were attending church at Crim's Chapel. He was our church pianist and we kids were amazed that he played by ear. He could play anything on the piano just by listening to the tune first. He enjoyed joking and cutting up with us kids and my thoughts go to his family at this time. Billy Martin Longview, Texas

“ Dear Jean and Bruce, So much has changed on Hubbard Drive this year. Tate was such an interesting character, making us all envious with his precision of finding hot wires with his bare hands!!! If only we could have had such nerve!!! We were all amazed. Love to you both at this time of great loss. I will remember our years as neighbors with a big ole smile! Love, Lorraine

“ Tate, I don't know what to say. I'm heartbroken that you are gone, but I'm glad you are all healed up and seeing your loved ones in Heaven. Our friendship meant the world to me. Thank you sir for being a role model and like a dad to me. Enjoy Heaven and drink some coffee up there and we will see you so. I will never forget you. I love you Tate. Rest in Peace.
