“ Linda, sounds like she was quite a woman and led a very successful life, she didn't get cheated. All the best in your adjustments, the last to go, my dad, was much more profound. Were all orphans now! My warmest thoughts and sympathies LindaJohn

“ Linda and Judy, Memories flash through my brain and heart when I see this wonderful picture of your Mom. She was such a significant part of my life until we graduated from HHS. I will always love her and remember her fondly. Those great days of Camp Fire and Horizon Club truly helped shape our lives forever , and made all of us lasting friends. I can only feel that her long life was one of unswerving goodness and significant contribution.. You must be sad, I know, but so proud of her. My prayers and thoughts are with you.
