“ *Vivian and family,
Beth and I send our sincere condolences on the loss of Odis. We both shared fond memories of him and regret that we are unable to be there with you. Odis was a fine man, as I am sure you know. He lived a life that set the standard for what it means to be a husband, father and leader. As Brother Perry often said, “Absent from this earth, present with the Father”.*

*My wife and I were so sad when we received a text that Odis had passed. What a fine individual was Odis - we meet he and Vivian back in the 80ies. We wanted to build a house and had no clue. A coworker told me of someone at her church that builds houses. We called, they invited us over to their home for coffee and cookies. From that day forward was a great adventure and they were so kind. We had limited funds but they worked with us. They will always remain in our hearts.
