“ My favorite memory is when Uncle Glen and Aunt Opal would visit grandma Ketchum while I was living there. Aunt Opal was always so beautiful I could see the love of Jesus all over here. She ws always so loving and kind. It's like she had all the gifts of God in her. I could feel God's presence around her and Uncle Glen and Aunt Opal officiant my wedding. She spoke to me privately before walking the ale. Praying for my marriage. She was so tender with me while I was carrying my first child. They had no condemnation towards me because of my marriage of child out of wedlock. I adored my husband and child to be . Aunt Opal gental with my spirit while she prayed over me ,my marriage and my child. She spoke with power in her voice I could feel her words of Jesus flooding over me. She walked with the confidence of God .I have many memories of Aunt Opal and every memorie was powerful woman filled the the Holy Spirit.She will be missed . We all know she is with Jesus right now. Praying for our family. Love to everyone.

“ *When I think of grace and kindness I think of Sis. Opal Ketchum. The Ketchums came to pastor my home church of Logan Assembly of God in the early 1960s. They inspired my generation to follow God. I followed God's call into the ministry while under their time at Logan. All my life I have known them to be genuine Christ followers. I know that her work her us finally done and she is home at last.*
