“ Ora was a great lady. She never met a stranger. If you were a stranger to her after meeting her she made you feel like she had known you for ages. Daniel and Crystal my heart goes out to you on losing your grandmother. Bob, I know you will miss your Mother and will be happy for her that she has joined your Dad. May each of you know that she is looking down from Heaven and have great peace that she has joined Luther now.

God bless each of you during this time of your lives, and know that she is at peace.
