“ Dear Joe and Family, Our hearts are heavy and grieve with ya'll. We truly will miss Jane! I can close my eyes and still see Jane at the Haley Family reunion that we were blessed to attend. A few years ago. Jane's smile and strength, always brought light and comfort. Every time I saw Jane as I was growing up and continue, was very comforting, I know she is a great Haley with much wisdom. Always leading us children to enjoy life to its fullest. She always blesses all that she comes in contact with. Joe, we continue to pray with ya'll and know that we will see her again, as our Lord has given victory over death and promised to comfort. We know this life in this world is just the beginning of our life with our Lord and Savior Jesus. Ya'll are so special in East Texas! Thank you for your love and wisdom. Wow, I saw many children in Jane's write up which can not all be put down in words. It is amazing how the seeds that Jane planted and watered will grow for all eternity. She has blessed us all. Love Ya'll and See Ya'll Soon, Mark and Yvonne

“ We will truly miss seeing Jane. Lots of good memories when Joe and Jane would come to tennessee to visit with Odis and Suzette, always pleasant to be around. All that really mattered is that Jane was a faithful christian woman. Joe ,i know its going to be tough without her in this life, but how great its going to be when we all get to Heaven. Love you, keeping you and your family in our prayers.

“ I am so sad to hear the loss of dear, sweet Aunt Jane. She is one of the most beautiful people inside and out that I have ever known. I have so many wonderful memories of her. She was so full of life and had such a kind and giving heart. I was thinking back to the last time I saw her and it made me smile. She was always so sweet to me and gave the best hugs! Uncle Joe, I can only imagine how much you must miss her right now. You two completed each other - a true love story. I am so sorry for your loss. I will keep you and your family in my thoughts and prayers. I know that she would not want us to be sad; but I will go to bed with a heavy heart tonight.
