Oh my...I have lots of memories of spending time with Patsy and Billie Jean while we were growing up. And, as cousins, we grew to be really good friends. I recall she, Norma, Billy Jean (I think) and me riding on a horse. Patsy was in front, all of us bareback with only each other to hold on to, and the horse ran in to the low branches of a tree. Patsy saw them coming and ducked, but the rest of us didn't and got a lashing from the branches! We probably survived a few close call episodes growing up, but we always had fun. She has been and will be missed. My love and condolences to the family.
