*Patsy you were beautiful inside and out. You were such a strong, independent woman that always cared about others. You always made me laugh, and it seemed like everytime I was really going thru it, you always was there with words of encouragement no matter the time frame I seen you last. You will be truly missed. Fly high Patsy may you rest in peace.*

*RIP Patsy. You will be missed by many. I was honored to call you my friend. I loved how you were always there for whoever needed you. I loved your humor and your quick wit. I loved that we both had such a morbid sense of humor and would laugh the hours away at work. I know you are in a better place, but I know your kids, grandkids and friends will miss you. Fly high baby, until we meet again*
