“ *My Dear Paul I will remember the good times
and the sad times we had growing up as kids.
But I will not weep for you because you are in
the arms of Our Heavenly Father now He
holds you. Now there is no more sorrow no
more pain you are home with all of the family that has already gone
home before you. I will pray for the family that is still here on earth
that God my give us all the peace and comforted of his love.
Rest In Peace my Dear Cousin Paul. For we shall all meet again at
the river in Heaven. Your Loving Cousin Charlotte.*
