“ I haven't known Paula that long but I can honestly say I instantly fell in love with her when we met and I'm a better person for knowing her, even if it was a short time. One thing I learned in less than a year of knowing Paula was she loved the Lord and she loved her family and she was dedicated to them in every sense of the word. She was a fighter and was full of courage and believed with all of her heart God would heal her and He did, in His time and in His way. Paula touched many lives and I have no doubt she will continue to do so for a very long time. I haven't met anyone who knew her who didn't love her. To her family - I'm so sorry for your loss. Your family has and will continue to be in my prayers. May all the countless wonderful memories you made together carry you through the hardest times.

“ *My heart breaks for you Holly and Cody! Ms. Paula was such a wonderful and big hearted woman. It was evidently clear that you two were the light of her world. I have many fond Summertime and Weekend memories. How your Momma had the patience and guts to wrangle all of us kids for days at a time is proof she was a saint! She surely left a mark on everyone she came across, and we are all better for having had her influence. She will be deeply deeply missed. Keeping you all very close to my heart and in my prayers. I hope God showers peace and comfort over you today and in the days, weeks, months and years to come. Love ya'all!*

“ I've got such good memories with her, sitting at her house jamming to music and eating her awesome cooking, while Janice and Holly talked about boys in Hollys room and Jake and Cody watching wrestling, she gave me my Sassy. I loved that dog so much...she was a backbone for me for a long time, I wish I could have been the same for her. Never one time when I ran into her at Walmart did I not get a hug. Then I didn't see her for awhile and then I found out she was sick it made my heart ache for her. Paula was an awesome lady and I'll pray for the day that I'll see her again..

“ Paula was my neighbor for many years. We became good friends and volunteered at the school together. Our kids were close in age and played together all the time. We went to the same church. My heart goes out to Holly, Cody, and. all the family. I love you all and my prayers are with yall.
