“ *We all have those teachers we never forget. She is one of them. There is a reason so many of us remember our time with her at just five years old....I believe she made the first year at a big school with so many kiddos less scary. Her kindness and laughter made PE memories stick. And when I moved back to Henderson I loved seeing her at Walmart. She always looked fabulous! Sending prayers of peace and comfort to y'all during this time. Sherie I know Daddy is sending them from Heaven!*
