I'll never forget the times we shared as cousins growing up. We had way too many to share. But it was always fun. I'm so glad I got to see her at Daddy's bday party before she left us I'll always remember her with fond fun and crazy memories. I'll love you forever Penny.

“ Penny was more of a niece to me than a cousin since her mother, Eddie Sue was like my sister and not cousin. Penny and my daughter always enjoyed each other from babies to adults. As others have said Penny was the most giving and loving person. Our daughter Robbin went before Penny so now they can take up where they left off, but in a different way. The most comfort is knowing we will all be together again in a wonderful place with our lord Jesus Christ. My love to Penny and her family.

“ A person that departs from this earth never truly leaves, for they are still alive in our hearts and minds, through us, they live on. No one can prepare you for a loss; it comes like a swift wind. But take comfort in knowing that Penny is now resting in the arms of our Lord. Our deepest condolences to you and your family.
