“ *Family, May God bring you comfort as only he can. We know that you all loved Perry very much. He was a good man and loved each of you. I know that he isn't in pain anymore now and is with his sweet wife. What a sweet reunion!! Remember as you each go through this difficult day, that your relatives from other states are holding you up in prayer. Be there for each other. He would've wanted it that way. Love to you all!*
