“ Mary Beth, I was saddened to hear about Brad's death. He brought so much pleasure in his latter years with his harmonica playing, including my mother when he played Happy Birthday to her. She loved that. We so enjoyed having him entertain the Presbyterian Women last year at my home--it was just a highlight of the holiday season. My sincere prayers and thoughts will be with you now and in the days to come. God Bless you and your family. With much love, Jane Fahle

“ Totally shocked to hear of Brad's passing! Since first meeting Brad way back when he first came to East Texas, his smile and outlook on life were an inspiration! There was no such thing as a "bad day" for Brad. We never got the chance to "jam" with him and his harmonicas, but always intended to do so. Our friend, Billy Nations, and Brad were best buddies, and we were honored to be counted as both their friends. We will definitely miss him very much!

“ Brad you will be greatly missed by the citizens of Henderson and Rusk County. I remember you always had a smile on your face and whenever you walked into the room people would instantly light up. From one Airmen to another, thank you for your service to this nation. It is because of men and women like you that I am now able to serve my nation and give what you gave so many years ago.
