“ *Rachel will always have a special place in my heart. What fun we had as teenagers before I moved away...whether it was making fudge, painting her dad's toenails while he slept, or other harmless, but funny things. Later Rachel was Maid of Honor at my wedding and my boys called her Aunt Rachel. I wish we could have lived closer so we could have shared more laughs and love. We will always remember and miss you Rachel. Love, Cheryl*
