“ I learned a lot and grew a lot working for Randy for thirty years. Randy was an independent man of strong character and high principles with a deeply embedded work ethic. He enjoyed God's gift of life to the fullest, possessed the grace of Jesus in his core, and loved his family dearly.

“ Randy and I worked in the same department for many years. He was a solid individual, very talented and did his job well. He led his team of people well. And they all did a grate job. My fondest memory was when we took a company trip near Oklahoma and after dinner he took his guitar and played Oklahoma Hills which was a thrill for me. Every time I hear that son I think of Randy.

“ We had many good meet ups in Albuquerque, New Mexico balloon festival. Durango, Colorado white water, rafting, and steam train to Silverton. and even at his home and Henderson. He was a great tour guide and trip planner. Denise nicknamed him Funkel for “favorite fun Uncle”. He was a role model of the ideal family man totally dedicated to his wife kids and grandkids. He is someone I looked up to and will be greatly missed. Rest in peace Uncle Randy your work here on earth is done.

“ A friend of mine routinely shared videos of Randy singing and playing his guitar through the years. In every single video Randy's voice and presence absolutely blew me away. I feel through his songs he expressed the deepest parts of his heart, not only for his family and friends but for the world around him. I have no doubt that he will truly be missed by those that loved and knew him well. In his passing we are reminded of the steadfast strength he had and imparted to those around him, which I have no doubt has made the world a better place. You will be missed, Randy. I look forward to spending time with you one day when we are wrapped together in our Father's eternal embrace.

“ Beverly, Jennifer, Lori, and Lisa,
I am so sorry for your loss. Randy was a good man. A fine husband,
a great father, and a man of God...and not a bad singer! He always
