“ Randy and his folks were my neighbors for 21 years. They were good people. I helped take care of his mom when she was ill. Randy would help my brother cut up trees that fell on my property after my husband passed away. He was a good guy. My brother has end stage COPD and the last time Randy and him talked he told my brother he needed to get it right with God. He had his troubles but was always a good guy and neighbor. RIP Randy
