

Mr. Rick Allphin

September 20, 1968 - July 14, 2017

Funeral services for Mr. Rick Allphin, 48, of Clear Lake, formerly of Henderson, will be held at 10:00 a.m. on Saturday, July 22, 2017, in the chapel at Crawford-A. Crim Funeral Home with Dale Taylor officiating. Interment will follow at Pirtle Baptist Cemetery under the direction of Crawford-A. Crim Funeral Home.

The family will receive friends from 5-7 p.m. on Friday, July 21, at the funeral home.

Mr. Allphin passed from this life on July 14, 2017, in Carlsbad, New Mexico. He was born September 20, 1968, in Houston. Henderson was home to Rick before moving to Clear Lake in 2014. He served his country in the United States Army's 101st Airborne Division. He was a pipeline contractor by trade and worked for Strike, LLC. Rick loved being a pipeliner, and he was loved and respected by those he worked with. He enjoyed singing, a trait that he passed on to his children, and he loved being on the water. Above all, Rick was a wonderful, loving husband and father that had an impact on so many lives.

He was preceded in death by his parents, Janie and Harold Leath, and his son, Andrew Allphin.

Survivors include: wife, Jessica Allphin of Clear Lake; children, Cody Allphin of Houston, Logan Allphin, Clay Allphin, and Lily Allphin, all of Henderson, and Madeline Rodgers of Clear Lake; brother, Robert Allphin and wife Pook of Henderson; sister, Dawn Holder of Henderson; and grandson, Brayden Allphin.

Words of comfort may be shared with the family at www.crawfordacrim.com.

“ It's been 7 years since Richard Allen left us and I still think about him regularly. I'm blessed to have him as a mentor and wonderful friend. Got drunk listening to one of his favorite Johnny Cash songs and I felt like I was right there with him in the Strike Ford Lariat. I'll see you in the future Rick. Let's lay that pipe and put on some sleeves when I reach those pearly gates.

“ Reading the tributes to Rick I realize not only did he have family he had a work family. He was well respected and loved. I regret that I only met him once and could not get to know him. His time here was much too short. Jessica, Madeline and family we have been and will be with you in spirit over this difficult and sad time.

“ Me and Rick had a love/hate relationship but I know he saw something in me shortly after I started working for him. He pushed me so far to do and learn things that I never thought I could achieve by my mid twenties. As much as he would get me stirred up I knew that he loved me and wanted me to be somebody in this world. He wasn't just a boss to me, he was a mentor and a father figure to me an I owe a lot of my personality and strong work ethics to him. Love you Richard Allen, make sure you have the yard ready for when I walk through those gates.

“ Words can not describe the many different sides of our pipeline brother. Yes, he could tick ya off. But more often he could make us smile, scare us a little, bring out our best, make us feel appreciated, and always earn our upmost respect. He was a great superintendent. But always made it clear that family comes first. He was so proud of his kids, and loved his family. We knew we could count on him to push us along, or pick us up as needed. We will pray for comfort and strength for his family, as they await to meet him again, when our heavenly father, in his time, and wisdom, also calls them home. We miss, and will never forget you Rick, our pipeline brother, friend and role model. Our friend, we will see you in heaven.
