“ Through our lifetimes we occasionally have a chance to meet and spend some time with special people. These are people we remember, people we enjoy and people who have made a difference. Bob is one of these people. I genuinely enjoyed knowing Bob, learning from him, and listening to his stories. Thanks Bob for your time with me.

“ My deepest condolences to the Marsh Family. I worked with Bob many years in Columbia, and back in Alaska. He was a true friend, loved his family, was an outstanding drilling man. Bob always had your back, went out of his way to help in any way possible when you needed him. Gave 110% in anything he did. May the Lord bless and comfort you in this sad time in your lives.

“Teta, Leslie, and Becky, I wish that Amy and I could be there for you, but it is so far away that it is just not feasible at this time. I think so often of the fun we had, and I miss those days. Please know that you are in our thoughts and our hearts. We love you all, and we want a reunion as soon as you are up to it. Please let us hear from you! Polly and Amy
