“ This man was one of the greatest man I have ever known! He stuck by our side for over 17 years and I have known him for about 22 years! This man worked his butt off and deserved everything he paid for by the work from his hands! He was a welder, craftsman, he loved to keep his yard clean and his work space cleaned around his computer at home and his cleaned too! Bob was an amazing person he went from being a great friend to a great a uncle then to a great father figure and grandpa to my children! They always called him Uncle Bob though! My little girl Amber would always love to sit with him as he played on his computer and Mary would sit there too and watch as well but Amber you could never pry from his lap she was a grandpas girl! Mary was a nanas girl and Ricky hmmm he was bobs little helper and handy boy! Connie and the babies and Jerry even were a big part of his life as well we all loved him so much! Rob was his best friend , and grew apart from him but he never gave up on him and then My husband Mike was pretty close to him as a best friend as well he helped take food to him when he was sick and he even cooked for him and tried to help him when he needed help on the vehicles. I would always find him outside with bob when I would wake up drinking coffee or talking or something. He worked on bobs computers when he had them and helped him the best he could so bob could have something to do when he needed to relax! I can always remember how he was cause he was around for a very long time. I know that he loved my mom! I know he loved all of us too! I wont take up too much space but I am gonna miss him sooo very much! Bob you were a very GOOD, AWESOME, GREAT GUY!!! I LOVE YOU! Thanks for being there for my family!
