“ *Rodney was a unique type of guy. He always had a smile on his face and never met a stranger. He was always willing to help no matter what you ask. He was genuine. He had such a bond with our family. He will be missed.*

“ I can't think of very many childhood memories that did not have my cousin Rodney and Chloe in them. From the sweet moments of him digging me and Chloe out of trouble and bandaging our bobos before Uncle Bobby made it home from work, to those teenage moments of looking up to him and his best friends (Rick, Vick & all the great others) and all the hearts of all the girls in town driving me and Chloe crazy for a chance to speak to him. But most of all I will miss his nonshy way of screaming my name across any store/place we both happened to be at that moment. I will miss him deeply as all our family will. This world has lost a wonderful heart!
