“ I worked with Ron way back in the late 70's and early 80s at the TX Utilities Beckville lignite coal strip mines. He was a BIG TIME DRAGLINE OPERATOR while I was a rookie Hauler Operator/Dozer HAND. RON always treated me well. Rest well Bro Ron.

“ The Kerley's let me rent out their little barn/apartment when I was a young 20 something single mom with my son. They always worked with me and loved me and my son like family! He came to check on us everyday and would often give me the best life advise, often times things I didn't want to hear but needed to. I will always cherish those memories and I'm praying for the family!
