“ Rona was the love of my life. She will forever be missed. She could light up a darkened room with just her smile. I just wish I could see her just one more time. Rona I will see you again someday, until then rest in peace my love.

“ i remember her being a very direct, straight shooter, who believed that you should treat others the way you wanted to be treated. The world needs more people like her and i know that if she raised her sons to be even an ounce of what she was like her legacy will live on. RIP RONA, you touched the lives of many and people and your smile will be missed.

“ I will always remember Rona as the girl I looked up to and wanted to like. She lived down the road from me and remember watching everything she did with the eye of an envious middle school stalker hoping to follow her big footsteps. She was a precious friend and high school "big sister". Although I have not seen her in years, I will always remember her fondly. Rest in Peace Rona. Fela McQuagge Lowrance

“ Rona and I spent hours upon hours listening to Prince's "Little Red Corvette" and not a time has gone by since those times back in the 80's in Henderson that when I hear that song I don't think of her. Although I had not seen her in years, I can still remember her beautiful smile, her smiling, glittering eyes and her laugh. We connected several years ago on FB and I thought of her just last week and thought, I need to get in touch with Rona on FB...I'm so sorry that I didn't follow that inner voice and reach out to her and tell her "Hello" and see how she was doing.

Your family is in my heart and prayers. Rest in peace, Rona. Love you.

“ I agree Rona was nice and funny, but I think most of what I remember was her sincere low tolerance for nonsense. She was not afraid to give you "the eye" when someone was not being truly legitimate and I TRULY feel like we need people in this world who will hold our feet to the fire. It is all of our jobs to keep each other in check with the good and the bad times- it molds us and keeps our moral compass pointed due north. Now she is really North of us, so let's not forget lessons learned, good times had and grow from them so one day when we pass people will feel just as fondly of us as we do Rona. Rest in Peace!
