“ Some of my best memories are with Ronda ❤️. We went to school together, rode the same bus, so it was easy to just get off at her house. During the summer, we put many a mile on those county roads walking or riding bikes to meet ea other, then wading in the Sand Branch to cool off, fore we made it to the house. We swam in the ponds, we rode horses, rode pigs, n rode mini bikes, (which is a story in itself, cause the 1st time I rode, she showed me the gas... but not the brake) 😬. We also went to church camp together during our summers and we asked the Lord in our hearts there. 🙏 We also had lots of shaving cream fights with the boys there.. There are just SO SO MANY happy memories when I think of my sweet friend, that I can't even begin to name them all. Then, with everyday life, even though, we didn't see each other often or even talk to each other often, when we did, it was like no time had passed, we always just picked up where we left off, laughing and talking bout good ole times and sweet memories.... I will miss her beautiful face, her kind heart and her sweet random mesgs..
Loved and missed, always..
Forever in our hearts, Ronda
❤️🙏❤️
Continued prayers for all 🙏
