“ My thoughts and deepest prayers go out to the Smith family and the many who loved Ronnie. I really admired Ronnie growing up and loved his wit and humor. I thought so much of him that I only wanted one car to ever restore and own....Ronnie's Black 68 RoadRunner. It took me 14 years to find it but persistence paid off. Not any other RoadRunner would do for me. It had to be Ronnie's or I would never be interested in ever owning one. The full restoration of it will remind me of good days when I was a kid admiring Ronnie and Donna driving that beautiful machine. My other fond memories was when I saw Ronnie open up the air grabber hood of his 70 Hemi RoadRunner and smartly deposit Melissa Morris' Trail 70 motorcycles keys and lock them inside with a touch of a button. My fondest memory of Ronnie was when I witnessed him make a profession of faith in Christ! I look forward to seeing him in heaven and telling him the rest of the RoadRunner saga he will never hear about on earth. Wished I could be there with the family to pay my respects. However, I am in Germany serving as a Chaplain in the Army. May you all find comfort in God who truly waits by your side. Jesus said, "Come to me all you who labor and are heavy burdened and I will give you rest. Take my yoke upon you and learn from me for I am gentle and humble in heart and you will find rest for your souls." Ronnie has finally found that perfect rest. May God comfort you all!CPT Lex ReedChaplain US Army

“ There will never be another Ronnie Smith! He was a part of my life and that of my family for as long as I can remember. I always considered him my "4th" brother. Ronnie definitely kept us laughing with all the crazy and silly things he did over the years and he was the eternal prankster and a superb teller of jokes. He truly was a one-of-a-kind person and I'll miss him and the unique laugh he had. He was my friend. Vayo con Dios, Ronnie.

“ Bill, Shaun, and family, It is with great sadness that I read of Ronnie's death. Ronnie was a good friend and a respected fellow law enforcement officer for many years. I have seen Ronnie in good times and in times when he was mad enough to bend railroad spikes with his bare hands, and I am sure if there had been a spike there he could have accomplished it! Ronnie use to accomplish about all he started out to do. As he lost his Father early in his life I feel all of you lost him early in all of your lives. Bill, Shaun and Donna I want to thank you for the good evenings spent at your home and will keep all of you in my thoughts and prayers. Norris-

“ *Smith family, our thoughts and prayers are with you today! Ronnie was a good friend and neighbor. Always smiling and asking what he could do for his friends. Willing to help in tough times, ready to celebrate with us in the good times. He and Gary enjoyed many hours together, flying and working on radio-control planes. Ronnie will be missed!*
