“ *Rose came in and out at the Fashion Boutique where I was a very young cosmetologist. She came to get her hair done there and she brought in clothes for the Boutique. She soon started her business in the little House on N. High making it a successful business and she kept increasing sales, etc... she was always dressed impeccably and was very nice to me. Now she go spend eternity with Don.* ❤️😊

“ *Just wanted to send my sincere condolences to the family of Rose. I had the privilege of sending our rig report to Miss Rose each and every Monday morning, and if I didn't have it to her by noon, she would be calling me thinking something was wrong with me. Ha! I would always make sure that I wrote her an uplifting email and she would always email me back saying that it just made her day. I'll miss Rose's emails and her phone calls.
