“ Rose was a friend of my grandmother's in Price (Annette Rogers). I enjoyed visiting Rose's house with my grandmother. They loved to talk. She was a true friend who was there for my grandmother when we lost our grandfather. Rose would also accompany us on the trips to Longview so my grandmother would not be driving alone back home. She was a very sweet lady! Stephanie McCarthy

From the first day I met you, said to myself " this is my grandma" and fell in love with a precious person. Your fiesty comebacks, love and hugs always brighten anyone's day. I keep and sleep with the bear you got me for Christmas. Very sad when you moved away, but always on my mind. Anna, Sevyn and I will miss you dearly, we love you very much.
