“ My only memory of you, beautiful Child of God, is that I was with your parents the day they found out that you were coming! The happiness and joy they shared with all the family and friends was unsurpassed. Our Lord decided to call you Home for now, but know that He has plans for you, sweet little girl....we don't know, but we share in their grief that that time is not now, but for now, you are in His Heavenly arms, safe and warm and so very very loved. We will miss you this time, but will see you in Heaven, little Rowan. Much much love, your great great aunt Patsy
