“ Just now seeing this, but I have great memories of Ruby Lynn Boren Allison. She and my sister, Sandra Kay Adams Sinclair would ride their horses all over town, especially to "buzzard's roost," which is actually McNee Hill now. Her horse was named Trigger and my sister Kay's horse was named Lucky. Sometimes my brother, Mike and I would "tag" along on a horse named Betsy, riding double. What great memories we had and Ruby Lynn was the most beautiful, and athletic girl I knew. She was such a delight to be around. She definitely made her mark on this world. My condolences to Bill and the family, we had some great times that will never be forgotten. May Ruby Lynn RIP in eternity. She will be missed.

When I married Bill at 18 years of age, since i was an only child, Ruby Ann became my sister .We had lots of good times together, she loved my kids and went hunting , fishing and anything they wanted her to do. She loved being around her friends and as Pat said she was beautiful and very athletic. I will miss her and our talks about in and everything. She is up there with Jesus and no more pain. Clint will miss her, he was her caregiver when she started declining, but he knows she is good now. Sister you are missed. We love you, Bill & Carolyn
