“ Sally and I attended high school together, and she was my 1st roommate in a garage apartment on N Marshall. We had some really great times, and even shared some sad times. She just last week signed me up as a friend on facebook. Sally really did care about people, and was a good friend. She never met anyone she didn't (or couldn't) like. Please accept my condolences. I will be praying for all of you during this sad time. Debra Nichols

“ Miss LaVelle, Jim and all the family, All of you will be in my thoughts and prayers. Sally was a special woman. No matter how bad your day was she could say hello and would have a smile on your face at the snap of a finger. I bet Miss Maud had one of her famous pound cakes just waiting on her! Sally will be missed by so many of us. Norris-

“ My thoughts and prayers go out to the family of Sally. Sally is a very special person to me and always will be. She will be greatly missed. We had many great times together and I wouldnt trade anything for that time shared. She was a dear friend. She was the type of person that would put herself on the back burner to help someone else. She loved to laugh , loved to talk, she loved her music " Merle", she loved gardening and the outdoors. But, most of all she "loved" more. Ms. Sally, you will always have a special place in my heart. I love you ! Tammy "BG"
